

Braiklay Croft Limited are to develop two 3 bedroom mid terrace houses in partnership with Aberdeenshire Council. These properties will be available for sale to "Qualifying Purchasers" for £120,000. It is anticipated that these properties will be available in February/ March 2009.

The properties comprise of three bedrooms and a bathroom on the first floor and a lounge, fitted kitchen, dining room and WC on the ground floor.

### **Who is Eligible?**

"Qualifying Purchasers" are determined by Aberdeenshire Council based on the following criteria

- First time buyers (or if there has been a significant change in your household circumstances; or if you are disabled and own a house which doesn't suit your needs)
- Gross annual household income should be in the region of £40,000 or less. Savings will also be taken into account. Income to be assessed by Aberdeenshire Council.

Priority will be ranked in the following order:

1. Tenants of Aberdeenshire Council or Registered Social Landlords (commonly known as housing associations) who currently live in Tarves.
2. Waiting list applicants of Aberdeenshire Council or Registered Social Landlords who currently live in Tarves or who have requested Tarves as an area in which they wish to be rehoused.
3. Tenants of Aberdeenshire Council or Registered Social Landlords from other areas of Aberdeenshire without a local connection to Tarves.
4. Waiting list applicants of Aberdeenshire Council or Registered Social Landlords from other areas of Aberdeenshire without a local connection to Tarves.

Should the scheme be oversubscribed then Aberdeenshire Council will try to make best use of the property based on housing need. For example family sized properties will generally be offered to families who meet the criteria rather than a single person.

**Aberdeenshire Council are responsible for nominating the successful applicant and their decision is final.**

As a discount is involved to achieve the sale prices of £120,000, conditions are attached to any subsequent sale of the property

- In the event that the owner wishes to sell or dispose of the property, they will need to notify Aberdeenshire Council in writing and Aberdeenshire Council will have a 3 month period to decide whether or not they want to keep the property for affordable housing and nominate a suitable qualifying purchaser, at a reduced price to be agreed.

- Should Aberdeenshire council decide that they no longer want to keep the property for affordable housing then the owner will be entitled to sell the property on the open market. The owner will be entitled to receive 65% of the open market value, with the remaining 35% of the open market value going to Aberdeenshire Council.

**Therefore it is recommended that any prospective purchasers discuss the implications of the contract into which they are entering with their legal adviser (solicitor).**

Any outstanding debts to Aberdeenshire Council eg Council Tax, rent arrears will be require to be cleared or a payment arrangement in place prior to house purchase being finalised.
