30th November 2007 – 29th November 2010

Tourism, Planning and Building Control

General

Guidance requires this policy statement to identify any arrangements between Visit Scotland and the Board, regarding reports on the needs of the local tourist economy. Detailed information will be provided here in the future.

Guidance also indicates that planning, building control and licensing regimes will be properly managed to avoid duplication and inefficiency. This has been covered in The Board's Supplementary Policy Statement on Relationships with other Regulatory Regimes.
