## Your Council, Your Services

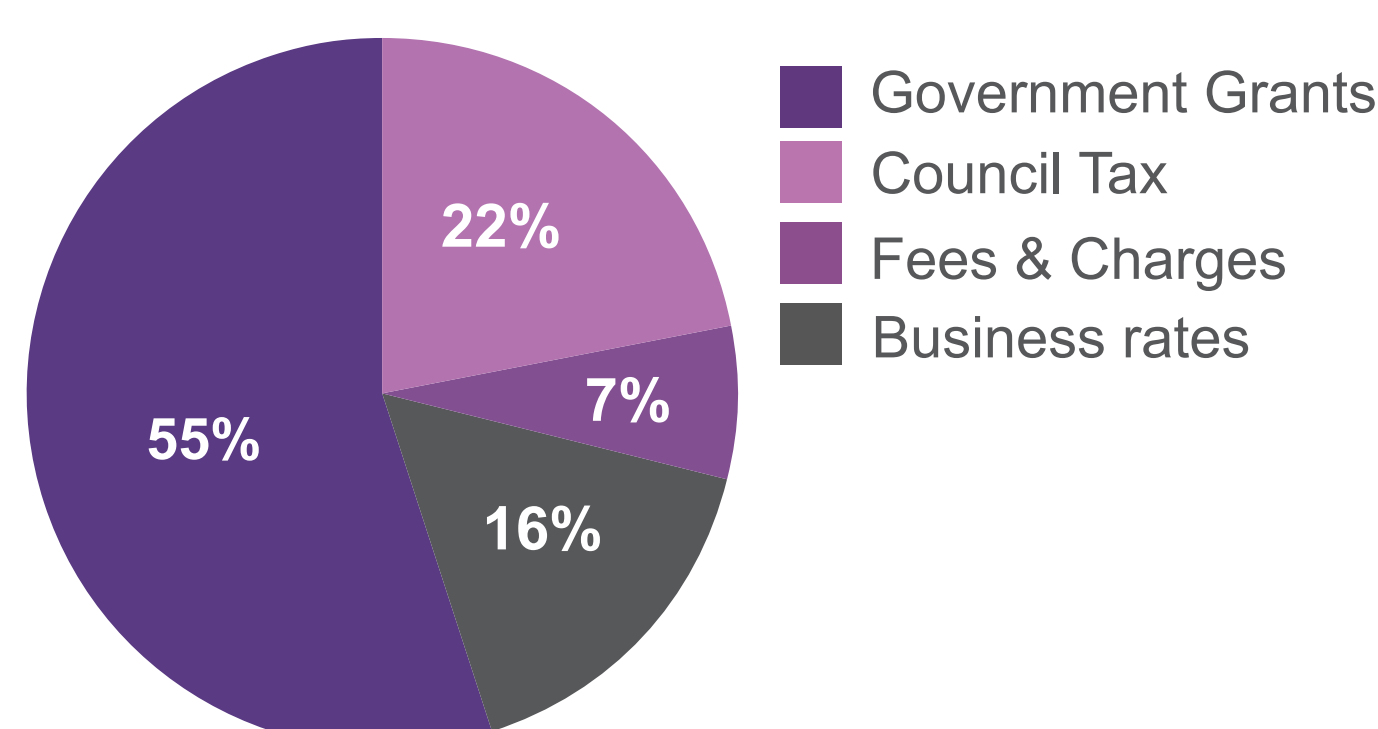

### Income generation 2017/18

#### Delivering our services

Aberdeenshire Council is continuously looking at how to improve our local services, to deliver best value for our communities across Aberdeenshire.

We are working in challenging times and increasing our income can be a way of ensuring we cover our costs.

Where our money comes from

**7%**  
of our income is generated from fee and charges

#### Generating income to develop and maintain our services

By increasing the charges for letting out council buildings, this could generate (per year)

**£50,000**

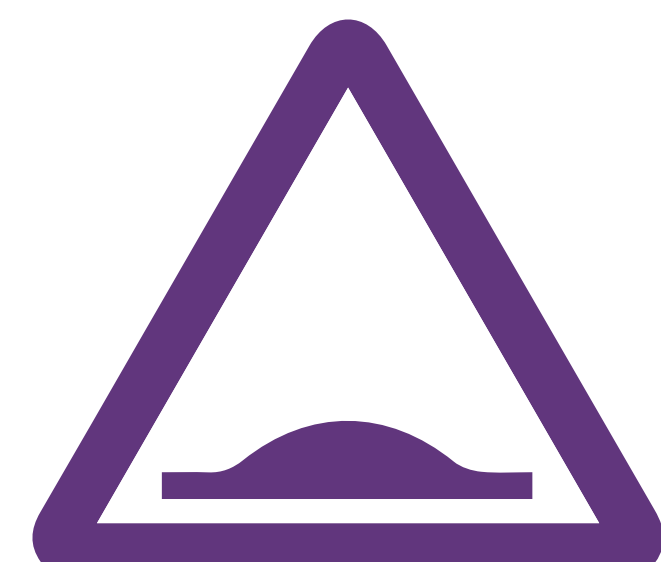

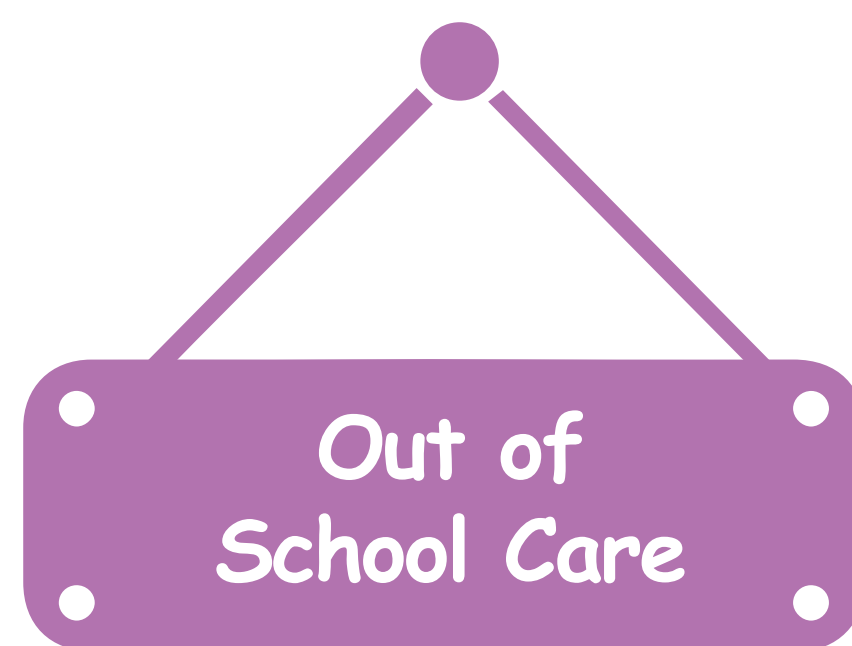

Introducing charges for community bedding plants could generate

**£145,000**

Raise charges for out of school care clubs to fully recover costs, up to

**£2.50**  
per session

**£250,000**

Traffic calming and speed reduction measures, to be paid for by re-implementing car parking charges across Aberdeenshire

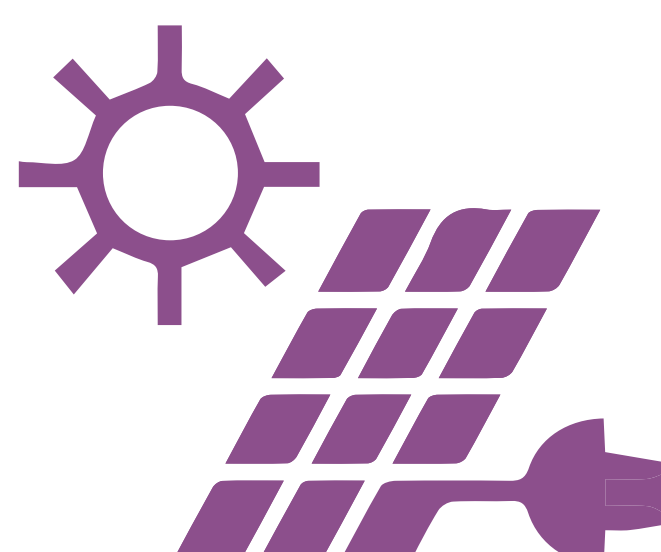

**£50,000**

Transferring funding from roads budget to increase investment in walking and cycling.

Investing in renewable energy and solar panels could generate

**£50,000**

Revisiting the charging structure for sport and physical activity from 2017 could generate (over three years)

**£650,000**

An increase to burial charges, to bring us close to the national average, could generate

**£350,000**

#### Have your say

We are asking residents across Aberdeenshire for their views on how we spend our budget. We want to hear from you on issues such as Council Tax, increasing efficiency, investing in our communities, as well as ways in how we can work smarter.

Your feedback is important to us in setting our budget for the future. Please take a couple of minutes to complete our survey below to **Have your say**.
