S9 If you are proposing uses other than housing or business please provide us with as much detail as possible on what you propose.

Please continue on additional sheets as required.

**The wider area**

A1 Please provide a statement on the siting and design of your proposal (how will the development fit in with the wider landscape, or complement the urban design of the area?) The site is currently occupied by disused agricultural buildings and is adjoining to existing houses so a housing scheme ties in better with the existing development.

If you have a landscape statement, a design statement or other details about what you would like to see on the site, please include it. *Statement attached*

A2 If you have prepared any frameworks or masterplans showing a possible layout for the site, please include it with this form. *Framework attached*

A3 Have you applied principles of sustainable siting and design to your site? Yes   
No

If you have undertaken a site assessment please provide details *Statement attached*

The Code for Sustainable homes or [www.index21.org.uk](http://www.index21.org.uk) provides guidance on this issue

**Effect on the community**

C1 Has there been any opportunity for local people to influence what you propose through local engagement? Yes   
No   
Not Yet

If you have undertaken any community consultation please provide details of the ways in which engagement was conducted, its effectiveness and the way in which it has influenced your proposals. Please provide details of any engagement you may propose to undertake.

C2

At least 25% of all housing is likely to be required to be affordable. If applicable, are you considering providing more or less than this? More   
25% or Less

C3

What community benefits arise from your proposals? What would the nature of these be, and how would they be delivered?

Community benefits may be material, such as community facilities, or intangible, such as affordable housing or the ability to live locally. Include elements which you anticipate may be required as developer contributions from the development (although specifics will have to be negotiated with the Council on the basis of the development proposed)
