ABERDEENSHIRE JOURNEY PLANNER

The new comprehensive
interactive guide to
travel in Aberdeenshire...

available anytime, at the
touch of a button

Want to find out the time of your next bus? Not sure where you are going or what bus to catch? Need to know which alternative coach and train journeys are available for either part or all of your journey?

Now you can plan your journey at a touch of the button... with a free interactive guide to travel available at bus Interchange points throughout Aberdeenshire. It's easy to use and will even give you a printout of the information you need.

ABERDEENSHIRE
JOURNEY PLANNER

planning your journey couldn't be easier!

Simply follow the step-by-step instructions displayed on screen to plan your journey. Your first screen should look like this...

Select **Journey Planner** by **touching** the button on the screen or use the keyboard and mouse... then simply

1 Choose **when** you want to travel

2 Enter **where** you want to travel from

3 and where you want to **travel to**

You will then be offered a **range** of journeys allowing **you** to **select the one best matched to your needs**

4 Choose the **best option** for your journey

5 **View** and **print** the results

the interactive map

Bus stop locations are shown as red dots.

The interactive map allows you to select departure and arrival points using **zoom** and **move** features. Using these **on-screen tools** allow you to follow your journey on the screen from start to finish.
