THE RESPONSE OF MEARNS COMMUNITY COUNCIL TO THE ABERDEENSHIRE MAIN ISSUES REPORT ADDENDUM 2014

Members of Mearns Community Council have concerns regarding Item 2 - WIND ENERGY

We are of the opinion that 2.5 the Preferred Option allows Aberdeenshire Council to pass too great a responsibility for location of wind turbines onto the developers. We believe that it is the responsibility of the council to identify the visual impact of wind turbines on settlements. We would support the Reasonable Alternative Option.
