Macduff Option A

- Pleased that this option is not being brought forward
- Not as well thought out as option C, users have changed since these plans were drawn
- Yes to Myrus option A pitches and pavilion
- Not wanted
- I'm not from Macduff. As an outsider I would fully accept moving from the school to the arts centre.
- Don't like this one cause they left out the squash courts
- Need for drop-in centre at Macduff school
- Good position of pavilion. Sports hall good idea for boxing club and badminton use
- Lots of changing rooms! Is there a need for a drop-in centre?
- Don't see the point in a drop in centre
- Forget
- Seems a bit pointless to me
- Need somewhere different for Drop-in centre not in front of school
- Limited in scope
- No to drop-in centre
- Not enough activities for adults throughout all 3 Macduff options
- Not enough on going for Macduff
- No point, drop-in centre wont be used
- Glad to see this has been overtaken. Drop in Centre of dubious value and sustainability.
