

IT IS ILLEGAL

TO SELL

SPRAY PAINT

TO ANYONE

UNDER THE

AGE OF 16

PLEASE MAKE SURE THAT ALL YOUR STAFF HAVE READ AND UNDERSTOOD THESE POINTS

- **It is illegal to sell a spray paint device to anyone under 16**
- **If you are not sure that the customer is over the age of 16, ask for proof of age**
- **IF YOU ARE NOT SURE REFUSE THE SALE**
- **Remember too, that the law forbids all spray paint sales to children. If a child says “it’s for my dad” that makes no difference – even if it is true.**

REMEMBER

If you break the law and sell a spray paint device to a child under 16 you can be fined £1,000

If you do not display the notice so that it can be easily seen, you can be fined £500

YOU MAY FIND IT HELPFUL

- **to keep a logbook recording any sales you have refused**
- **to copy the points in this notice and display them as a reminder**

If you want any further advice on the sale of spray paints then contact your local trading standards office.
