Marshalling

These events can only run if we have additional adults to act as marshalls. Absolutely no experience is necessary and in most cases you will only be needed to marshal for the duration of your child's race. This will involve standing at a check point on the route for the duration of the race to point the runners in the right direction or helping at the finish line.

Please tick this box if you are willing to act as a marshal on the day of the event
