

EQUALITY IMPACT ASSESSMENT

Stage 1: Title and aims of the activity (“activity” is an umbrella term covering policies, procedures, guidance and decisions).	
Service	Infrastructure Services
Section	Roads and Landscape Services
Title of the activity etc.	Road Network Management and Maintenance
Aims of the activity	<p>Budget allocations on Budget Pages 84, 88, 90, 91, 93 support the management and maintenance of the road network in line with the Infrastructure Services Vision:</p> <p>“Supporting Aberdeenshire Council’s vision to be the best area and the best Council through the effective management of the Council’s physical assets, by helping to create the conditions for economic growth within Aberdeenshire and the wider region and by providing high quality local services to residents, communities, business and visitors”</p> <p>Roads and Landscape Services will contribute to the delivery of this Vision through:-</p> <ul style="list-style-type: none"> • Managing and maintaining the road infrastructure for the benefit of the travelling public; • Providing a roads winter maintenance service to reduce as far as practicable the effects of adverse weather conditions on the movement of people and vehicles to permit safe travel in Aberdeenshire; • Managing civil engineering related projects to enhance and develop the infrastructure in the Council area for residents and visitors to Aberdeenshire. <p>This will ensure that the public road infrastructure is maintained to a high standard so that it is safe to use, enhances accessibility and supports commercial, industrial and residential development.</p> <p>For clarity this EIA considers the impacts of the budget reductions proposed for 2017/18 only.</p>

Impacts.	Positive (describe the impact for each of the protected characteristics affected)	Negative (describe the impact for each of the protected characteristics affected)
Please detail the potential positive and/or negative impacts on those with protected characteristics you have highlighted above. Detail the impacts and describe those affected.		

Stage 7: Have any of the affected groups been consulted?	
If yes, please give details of how this was done and what the results were. If no, how have you ensured that you can make an informed decision about mitigating steps?	No groups have been directly consulted, as there are no negative impacts. These proposals were part of a public engagement programme.

Stage 8: What mitigating steps will be taken to remove or reduce negative impacts?		
	Mitigating Steps	Timescale
These should be included in any action plan at the back of this form.		

Stage 9: What steps can be taken to promote good relations between various groups?	
These should be included in the action plan.	While there are no identified direct consequences related to these budget proposals, the Service will continue to communicate key messages to all protected groups in relations to road management and maintenance through appropriate media releases and social media.

Stage 10: How does the policy/activity create opportunities for advancing equality of opportunity?

The activity provides the financial resources necessary to manage and maintain the road network. The network provides mobility and accessibility for residents, visitors and businesses across Aberdeenshire.

Stage 11: What equality monitoring arrangements will be put in place?

These should be included in any action plan (for example customer satisfaction questionnaires).

We will continue to review the information gathered via transport related questions in the Citizen's Panel Survey, along with specific information gathered from the National Highways and Transportation Satisfaction Survey.

Stage 12: What is the outcome of the Assessment?

Please complete the appropriate box/boxes	1	No negative impacts have been identified –please explain.
	<p>The proposals look to establish a different technique for delivery of maintenance of the road surface. This is a less invasive technique, albeit that the repairs are of a less structural nature, and therefore quicker and less costly. This will not have a disproportionate impact on any particular user group with protected characteristics.</p> <p>The proposals also included minor changes to the manner in which technical work is designed and delivered. This will not have a disproportionate impact on any particular group with protected characteristics.</p>	
	2	<p>Negative Impacts have been identified, these can be mitigated - please explain.</p> <p>* Please fill in Stage 13 if this option is chosen.</p>
	3	<p>The activity will have negative impacts which cannot be mitigated fully – please explain.</p> <p>* Please fill in Stage 13 if this option is chosen</p>
