HARBOUR ROAD GARDENSTOWN – Update 28th February 2018

Geotechnical Investigations – Drilling works to determine rock levels have been continuing this week within the road closure on Harbour Road. The site works are progressing on schedule with an anticipated completion date of 16th March. However the current spell of wintry weather may have an effect on the programme.

Road Openings:

As per last week’s update, I can confirm that, subject to weather conditions and site inspections, the road will be opened, on a manned basis, on Fridays from 1.00pm - 4.00pm and from 9.00am-4.00pm on both Saturday and Sunday.

Waste Services, emergency services and the local coal suppliers have been advised of the revised closure dates and will change their collections/deliveries accordingly. We have also updated winter maintenance plans to make sure local steps and path access can be treated in winter weather conditions.

Therefore the next planned road openings, subject to on-site inspections, will be:

- **Friday 2nd March** between 1.00pm and 4.00pm
- **Saturday 3rd March** between 9.00am and 4.00pm
- **Sunday 4th March** between 9.00am to 4.00pm
- **Friday 9th March** between 1.00pm and 4.00pm
- **Saturday 10th March** between 9.00am and 4.00pm
- **Sunday 11th March** between 9.00am to 4.00pm
