

For a Roads Construction Consent (RCC) application to be accepted, the following checklist must be fully completed. All items must be submitted unless there is a specific reason why it does not form part of the RCC application, in which case an explanation will be required in the Notes section. Submissions viewed to be incomplete by Roads Development shall be returned. All of the items on this list are required in accordance with Aberdeenshire Council Standards for Roads Construction Consent and Adoption (ACSRCCA). References to specific sections refer to the ACSRCCA unless otherwise stated. For access to the ACSRCCA and all relevant forms please click [here](#).
