

1 April 2019 to 31 March 2020

Conditions of Weights Hire

- (a) The hirer is responsible for loading/unloading the hired weights to and from the Council's storage area
- (b) The hirer must provide sufficient staff to ensure that this is carried out safely and efficiently
- (c) The hirer is responsible for ensuring that his staff are properly equipped with protective equipment necessary for the manual handling of weights.
- (d) The hirer must arrange a time for the return of the weights to ensure that Trading Standards staff will be available to receive the weights. Under no circumstances must weights be left unattended on Council Property. They must be delivered into the custody of a member of the Trading Standards service.
- (e) The duration of hire shall not exceed 4 days (excluding weekends and public holidays) unless specific arrangements are made in advance.
- (f) The weights shall be tested on their return from hire to establish that they are within tolerance. If subsequent to this test it is found necessary to adjust or clean the weights a charge of £89.40 per man hour for the time spent adjusting the weights will be levied on the hirer.
- (g) VAT is chargeable on the fees quoted below
