Cluster area

Local primary schools are grouped in 'clusters'. All primary schools within the cluster are zoned for the same secondary school.

Curriculum for Excellence

Curriculum for Excellence represents Scotland's vision for the education of all children. It aims to raise standards, improve knowledge and develop skills. The aim of all Early Years' settings and primary schools in Scotland is to ensure that every child's experiences are broad general education and skills for learning, life and work that are delivered with a focus on literacy, numeracy and health & wellbeing.

The Care Inspectorate

Is the independent scrutiny and improvement body for care services in Scotland. Reports on childcare settings can be accessed through the website www.careinspectorate.com

Education Scotland

The role of Education Scotland is to support quality and improvement in Scottish education. Settings delivering Early Learning and Childcare are subject to inspections by Her Majesty's Inspectors. Reports and further information can be obtained from www.educationscotland.gov.uk

What Can I Expect?

Aberdeenshire Council has a duty to provide funded Early Learning and Childcare places for all 3 and 4 year olds and also for eligible 2 year olds. From August 2020, parents/carers will be **entitled up to 1140 hours** of Early Learning and Childcare.

Early Learning and Childcare provision in Aberdeenshire is managed through the Local Authority's Education and Children's Services.

Please note: Transport to and from Early Learning and Childcare settings is NOT provided or funded by Education and Children's Services.

The application period for 2020/21 is:

January 20th 2020 – 31st January 2020

How Can I Apply?

You can apply using the on-line form available on the Aberdeenshire website.

<http://www.aberdeenshire.gov.uk/applyForNurseryPlace>

Eligible 3 and 4 year olds

You should apply during the application period if your child was born between:

1st March 2016 and 28th February 2018.

This booklet explains the choices you have and the steps you need to take to apply for an Early Learning and Childcare place.

When Can My Child Start?

Every child is entitled to funded Early Learning and Childcare as per dates below.

- Children who will be 3 years old by 31st August start Early Learning & Childcare in August. * See below.
- Children who will be 3 years old by 31st December start Early Learning & Childcare in January.
- Children who will be 3 years old by the last day of February start Early Learning & Childcare in April.

*Your child must be three before she/he starts Early Learning and Childcare. Children whose birthdays fall after the start of term in August but before the 31st August will have a start date on a day after their third birthday.

What is available?

Local Authority

Local authority provision is usually located in a primary school.

Parents must choose 3 settings. **Aberdeenshire Council cannot guarantee a place at the setting of your choice.**

There are three different models of how hours are provided across local authority settings. Please refer to page 11 onwards to find information on each setting.

09:00-15:00 Term Time (38 weeks a year)

Children can attend up to 5 sessions a week in blocks of up to 6 hours.

08:00-18:00 Term Time (38 weeks a year)

Children can attend up to 6 sessions a week in blocks of up to 5 hours.

08:00-18:00 All Year Round (50 weeks a year)

Children can attend up to 5 sessions a week in blocks of up to 5 hours. In settings running the 50 week model the allocation of 1140 hours will be taken across 46 weeks and therefore, in addition to the 2 week Christmas break, children will take 4 additional holiday weeks to ensure that they do not exceed their 1140 allocation – this also includes a notional allowance to cover a disruption in service.

*Please note, that although these settings are open all year round, you can choose for your child to only attend during term time. Also, this is the first year of implementation and may be subject to change.

Local Authority nurseries are attached to primary schools, however there is no guarantee that your child will be able to stay at the school for their primary education if your child is not zoned for that school.

Transport to and from an Early Learning and Childcare setting is not provided or funded by Education and Children's Services.

Funded Provider

Aberdeenshire Council works in partnership with other Early Learning and Childcare settings to offer a choice of provision to parents/carers:

- Childminders (CM)
- Playgroups (PG)
- Private nurseries (PN)
- Independent schools (PN)

In a funded provider setting, you can access up to 1140 funded hours per year, in a pattern agreed between yourself and the setting. A charge may be made for services provided by funded providers that are out with the number of funded hours available. Funded providers may make additional charges for other services.

It should be noted that Aberdeenshire Council cannot guarantee a place in the provider of your choice.

Aberdeenshire Early Learning and Childcare settings offer the following:

All settings follow Curriculum for Excellence and are subject to on-going quality assurance by the Local Authority, Care Inspectorate and Education Scotland. Funded providers must satisfy rigorous selection criteria prior to being accepted as a funded provider delivering Early Learning and Childcare in Aberdeenshire.

If you wish to visit an Early Learning and Childcare setting prior to making your selection please telephone the setting to make an appointment to ensure that staff have time to talk with you and answer any questions.

What if my child has additional support needs?

There is an opportunity to indicate the specific additional support needs of your child on the application form. Parents/carers will be invited to discuss the needs of their child with the Head Teacher/ Manager of the setting of their choice. Where needed, staff and parents/carers will work in partnership to develop an individual plan for transition. Parents/carers may wish to refer to

<https://www.aberdeenshire.gov.uk/schools/additional-support-needs/>

Early Learning and Childcare Enhanced Provision For a small number of children with significant additional support needs it may be appropriate to explore support from an enhanced ELC provision in order to best meet their needs.

What if my child is currently in an Early Learning and Childcare setting?

You must complete an on-line form every year whether you wish to continue at the current setting or change to another setting.

- From Monday 20th January to 31st January 2020 you can apply online on the Aberdeenshire website.

<http://www.aberdeenshire.gov.uk/applyForNurseryPlace>

- Complete only **one** application form per child.
- Late applications may result in a delay in offering you a place.

Transferring and Split Placements between Early Learning and Childcare settings

The Children and Young Peoples (Scotland) Act 2014 requires an education authority to have flexibility in the way in which early learning and childcare is made available and that it is flexible enough to allow parents an appropriate degree of choice when deciding how to access the service.

- Parents/carers residing in Aberdeenshire may request to split a child's placement between one or more ELC settings. The online application form allows you to indicate this.
- Where a split is indicated someone from the provider will contact the parent to establish ELC requirements.
- Parents/carers may request a transfer between settings. Once a place is allocated and accepted to settings from the child's eligible start date until the end of the school year, a transfer from one setting to another may be allocated, following a request for transfer. **Transfer will only be granted in exceptional circumstances.**

You must discuss this with the Headteacher/Manager at your present setting before completing a Transfer Request Form, which can be obtained from and returned to earlyyears@aberdeenshire.gov.uk

This would be subject to availability at the requested setting.

Purchasing additional sessions/wraparound care.

At present, it is only possible to purchase additional ELC sessions/wraparound care from funded providers. This is a private arrangement between the funded provider and parent.

What if I feel my child needs more ELC?

Deferred entry to Primary one

“Parents of children who turn 5 after the first day of school and the last day of December can request to defer their child's entry to the following August. These deferrals are not automatic and are subject to approval by the local education

authority. Parents of children born in January and February may also choose to defer their child's entry; these requests are automatically approved.” – Growing up in Scotland

If your child was born between the 1st January 2016 and 29th February 2016, she/he has a statutory right to delay entry to Primary One in the academic year 2020/21. The Deferred Entry Request Form can be obtained from your Early Years setting. You need only complete Section A of the Deferred Entry Request Form and submit to the setting together with an Early Learning and Childcare application form.

If your child turns 5 after the first day of school and the last day of December and you wish to delay your child's entry to Primary One, you must discuss this with the Head Teacher of the school where you intend to enrol your child for Primary One. Following this discussion, if you then wish to proceed, please submit a Deferred Entry Request Form to the primary school. This form is available from the primary school. All applications for deferred entry to Primary One go to a decision making cluster panel.
