

School Travel Plans: Pupil Questionnaire (Primary 4 to 7)

- Please run this questionnaire past your registration class on (d a t e) and return it to (Teacher's Name).
- For questions 1-8, please take a show of hands, count responses for each answer and enter numbers in the box to the right of the answer. Please use **NUMBERS ONLY** and **do not leave** any boxes blank.
- Questions for which pupils can choose more than one answer are labelled as such.
- Questions 2, 3 and 4b give an opportunity to provide answers other than those listed. Please write any suggestions over the grey "suggestions" text and numbers of pupils who agree in the box to the right.
- I found I obtained the best results when I explained the working of the survey before starting: when asking a question, I told pupils how many options they would have to choose from and what each option would be; this gave them time to think about their answer and avoided them changing their mind too much.
