## GUIDANCE NOTES

Please complete this form if you wish to register a new or different name for a property that you own in Aberdeenshire. The Council will liaise with Royal Mail as appropriate. Note that if your property is numbered, the number will be retained as part of the official property address.

We will inform various agencies of the new address, this includes the emergency services, Ordnance Survey, utility companies and Scottish Assessors.

It may take several months for the address to show on all third-party databases. This is because companies download Royal Mail data at different intervals throughout the year.

You must supply a detailed map showing the property location. If necessary, use the Council website to get a suitable map:
