1. Overview

This document has been generated from information entered into the Integrated Impact Assessment system.

Proposal to migrate most functions currently delivered by Nomad endpoint device management solution to equivalent MS functions. 25% of the current budget would be retained for a new third party solution to deliver functions that MS doesn't cover.

This proposal would generate a saving of £100K

During screening 0 of 10 questions indicated that detailed assessments were required, the screening questions and their answers are listed in the next section. This led to 0 out of 5 detailed impact assessments being completed. The assessments required are:

In total there are 0 positive impacts as part of this activity. There are 0 negative impacts, all impacts have been mitigated.

A detailed action plan with 0 points has been provided.

This assessment has been approved by kate.bond@aberdeenshire.gov.uk.

The remainder of this document sets out the details of all completed impact assessments.

2. Screening

| | |
|---|----|
| Could your activity / proposal / policy cause an impact in one (or more) of the identified town centres? | No |
| Would this activity / proposal / policy have consequences for the health and wellbeing of the population in the affected communities? | No |
| Does the activity / proposal / policy have the potential to affect greenhouse gas emissions (CO2e) in the Council or community and / or the procurement, use or disposal of physical resources? | No |
| Does the activity / proposal / policy have the potential to affect the resilience to extreme weather events and/or a changing climate of Aberdeenshire Council or community? | No |
| Does the activity / proposal / policy have the potential to affect the environment, wildlife or biodiversity? | No |
| Does the activity / proposal / policy have an impact on people and / or groups with protected characteristics? | No |
| Is this activity / proposal / policy of strategic importance for the council? | No |
| Does this activity / proposal / policy impact on inequality of outcome? | No |
| Does this activity / proposal / policy have an impact on children / young people's rights? | No |
| Does this activity / proposal / policy have an impact on children / young people's wellbeing? | No |

3. Impact Assessments

| | |
|-------------------------------------|--------------|
| Children's Rights and Wellbeing | Not Required |
| Climate Change and Sustainability | Not Required |
| Equalities and Fairer Scotland Duty | Not Required |
| Health Inequalities | Not Required |
| Town Centre's First | Not Required |

4. Justification

This budget proposal would see the migration of most functions currently delivered by the Nomad endpoint device management solution to equivalent MS functions. 25% of the current budget would be retained for a new third party solution to deliver functions which MS doesn't cover. This proposal would not impact on groups with protected characteristics nor would it impact on groups experiencing different socio-economic outcomes.
