1. Overview

This document has been generated from information entered into the Integrated Impact Assessment system.

To service/repair vehicles and plant to the required standard to ensure roadworthiness is maintained as stipulated by the DVSA guide to roadworthiness, to meet our Operator Licence obligations and 100% MOT pass rate.

As the fleet ages, vehicles and plant will require additional servicing & repair.

These costs will have to be passed on to each Service User. Increase revenue costs to each Service User to reflect true cost of servicing fleet.
