

EQUALITY IMPACT ASSESSMENT

Stage 1: Title and aims of the activity ("activity" is an umbrella term covering policies, procedures, guidance and decisions).		
Service	Corporate Services	
Section	ICT	
Title of the activity etc.	2014-15 Budget Setting Process. The revenue budget funds: salaries and running costs for the ICT section; annual support and maintenance costs for corporate and line of business systems; annual support and maintenance costs for technical software; annual support and maintenance costs for technical hardware such as servers and networks and annual council-wide communications costs such as telephone and data lines.	
Aims of the activity	ICT works closely with all Council Services to maximise the benefits of ICT in improving local authority services to customers and residents across Aberdeenshire. We work with our customers to deliver modern and innovative solutions and provide high quality support that contributes to overall delivery of Council services.	
Author(s) & Title(s)	ICT Service Development Specialist	

Stage 2: List the evidence that has been used in this assessment.		
Internal data (customer satisfaction surveys; equality monitoring data; customer complaints).	Customer feedback is requested from all customers using the ICT Service Desk. Responses to this, recent customer satisfaction survey, complaints and compliments received are referred to.	
Internal consultation with staff and other services affected.	Consultation with ICT employees through staff events, team meetings, Head of Service slice meetings and 1:1's. Consultation with service users by way of operational account management and liaison meetings and by attendance at Service Management Team meetings. Consultation with Service Accountants and the ICT management team.	
External consultation (partner organisations, community groups, and councils.	Consultation and comparison with member local authorities and colleagues via Socitm, the professional association for public sector ICT managers.	

External data (census, available statistics).	Benchmarking services and funding with other local authorities allows comparison.
Other (general information as appropriate).	The ICT Business Plan outlines the vision, aims, objectives and achievements of the section.

Stage 3: Evidence Gaps.		
Are there any gaps in the information you currently hold?	No	

Stage 4: Measures to fill the evidence gaps.		
What measures will be taken to fill the	Measures:	Timescale:
information gaps before the activity is implemented? These should be included in the action plan at the back of this form.		

Stage 5: Are there potential impacts on protected groups? Please complete for each protected group by inserting "yes" in the applicable box/boxes below.				
	Positive	Negative	Neutral	Unknown
Age – Younger			yes	
Age – Older			yes	
Disability	yes			
Race – (includes Gypsy Travellers)			Yes	
Religion or Belief			Yes	
Gender – male/female			Yes	

Pregnancy and maternity		Yes	
Sexual orientation – (includes Lesbian/ Gay/Bisexual)		Yes	
Gender reassignment – (includes Transgender)		Yes

Stage 6: What are the positive and negative impacts?			
Impacts.	Positive (describe the impact for each of the protected characteristics affected) Negative (describe the impact the protected characteristics affected)		
Please detail the potential positive and/or negative impacts on those with protected characteristics you have highlighted above. Detail the impacts and describe those affected.	Disability: By sourcing and implementing solutions such as such as ergonomic keyboards and software designed for special requirements such as aids for visual impairments.	N/A	

Stage 7: Have any of the affected groups been consulted?		
If yes, please give details of how this was done and what the results were. If no, how have you ensured that you can make an informed decision about mitigating steps?	ICT Officers liaise with each individual or group requiring specialised equipment to ensure that the right solution is found for each the particular requirement.	

Stage 8: What mitigating steps will be taken to remove or reduce negative impacts?		
These Mitigating Steps Timescale		Timescale

should be included in	N/A	
any action plan at the back of this		
back of this form.		

Stage 9: What steps can be taken to promote good relations between various groups?

These should be included in the action plan.

ICT offer support to all Council front-line Services who, in turn, have responsibility for ensuring equality is evidenced

Stage 10: How does the policy/activity create opportunities for advancing equality of opportunity?

By ensuring we work with all Council Services to enable development of solutions that underpin equality. We will provide clear advice on these solutions.

Stage 11: What equality monitoring arrangements will be put in place?

These should be included in any action plan (for example customer satisfaction questionnaires).

The budget will not change. However, equality considerations will be considered when providing support to business and internal ICT projects and solutions.

Please complete the appropriate box/boxes	1	No negative impacts have been identified –please explain.	
	The ICT revenue budget does not directly affect any groups with protected characteristics. The service will continue to support other services to identify and implement ICT related requirements for groups.		
	2	Negative Impacts have been identified, these can be mitigated - please explain. * Please fill in Stage 13 if this option is chosen.	

3	The activity will have negative impacts which cannot be mitigated fully – please explain. * Please fill in Stage 13 if this option is chosen

* Stage 13: Set out the justification that the activity can and should go ahead despite the negative impact.
