Question Number being answer

1/ I find the wording of this document unclear.
2/ I find figure 1 unclear and not a detail map.
Please clarify statement 2.4 " and areas not exceeding 2Km from settlements identified in the LDP.
- What does this mean - will turbine development be excluded (not allowed) within 2Km of a settlement?
If so difficult to identify the 120 settlements and their areas from which wind turbines will be seen.
Why not just draw a 2Km exclusion circle around each settlement and consider it a no-turbine zone!
As I said in my previous response [redacted]
We live in an area of outstanding beauty.
Bennachie and its surrounding hills should be a no-turbine zone.
No large scale wind turbines should be built within a 2Km area (circle) of a settlement.
My Definition of a settlement.
Any property belonging to a person with no-financial involvement in the development. [redacted]
