Roads Construction Consent
Application for Winter Maintenance on a Prospective Public Road

This form should be used where a Developer wishes Aberdeenshire Council to commence winter maintenance operations on a prospective public road serving occupied properties prior to its formal adoption.

1 Your Details

Name: ...................................................................................................................................................

Address: ...................................................................................................................................................

.............................................................................. Postcode: ...........................................................

Fax number: ..............................................................................................................................................

E-mail address: ..........................................................................................................................................

3 Consent Details

Title of Consent: ........................................................................................................................................

Consent Number (e.g. N/1/190/9/10/03) .....................................................................................................
Declaration

The information I have given on this form is correct.

I confirm that the works outlined in the above construction consent are now substantially complete with all carriageways and footways made up to either binder course or finished level and no protruding iron-work.

I confirm that the roads to be treated have a layout that will allow a large winter maintenance vehicle either to drive through in a forward gear or to turn in a properly constructed turning area.

I hereby request Aberdeenshire Council to undertake winter maintenance operations on the roads and footways covered by the above construction consent.

I accept that Aberdeenshire Council will not be liable for any loss or damage caused by such operations or any failure to carry out such operations or for any consequential costs incurred from these operations and agree to indemnify Aberdeenshire Council against any claims arising from this request. Nothing in this request will affect any liability for death or personal injury, which may attach to Aberdeenshire Council as a result of negligence on the part of the Council or its employees.
