

Vote Ben Warren Vote SNP

Hello.

I am Ben Warren and this is my election agent Jack Sim. I come from Westhill and I go to school in Inverurie. I like to play the piano in my spare time and I love music. You should vote for me because I like to have lots of fun and I am friendly.

If you vote for me, I'll promise to...

- Make class sizes smaller. I care about Education and Learning.
- Make sure there are more free nursery schools. Education is important for all.
- Put more police on the streets. I care about local communities and I will make them safer.
- Make sure no more Nuclear Power Stations are built. I care about the environment.
- Make families richer by allowing more jobs to be created from local businesses.
- Reduce local taxes.
