

# The Labour Party

*A fair future for all*

My name is Christopher Park.  
I am your Labour party candidate for the Scottish School's Parliamentary Elections 2011.  
I am standing for election in the St Andrew's School constituency.

I live in Newmachar with my sister and my Mum. I really enjoy IT and playing games on the Wii. My family and I have regular bowling tournaments.

I have been at St Andrews school since I was 3yrs old. I really enjoy meeting up with my friends at school. I am a member of the Pupil Council and the Eco Council These are roles that I take very seriously.

## My Key Pledges

Scottish Labour is working hard to deliver jobs, skills and a sustainable economy.

Education is central to Labour's thinking. We understand that young people are Scotland's future. So to build a better future, we need to have the best possible education for every young person.

Scottish Labour would like to see some serious action put in place to protect our environment from the threat of climate change.

The Labour party created the NHS and we care more about this than any other party. We would aim to ensure it is continued and moved from strength to strength.

Scottish Labour wants to see more targeted road safety measures implemented to cut the number of deaths throughout Scotland every year.

We want to see safer and stronger communities in Scotland. We want to see fair rules and fair chances for all. People need to have confidence in the justice system and we
