Elect a Local Champion We Promise to:

Agriculture, Forestry, Fisheries and Food

The SNP will fight for Scottish Fishers to ensure that the dumping of Fish is no more. We will bring in legislation so that when one tree falls in Scotland, three more are planted in Scotland.

Culture, Media and Sports

The SNP will strive to bring a more diverse culture to Scotland but ensuring that our main Scottish events are celebrated in best form. The SNP look to enhance sport across Scotland with events such as the Commonwealth games.

Education

The SNP look to continue the development plan of new schools across Scotland. We shall build on the curriculum for excellence to ensure that every Scottish Child will receive the very best education. The SNP will keep the EMA (Educational Maintenance Allowance) and furthermore promise the NO TUITION FEE for Scottish born Students.

Environment

The SNP will continue with its Zero waste plan and will ensure that Scotland is a greener place to live for generations to come. We will also ensure that Scotland will use its full potential in renewable energy.

Health

The SNP will always support the NHS to its full extent and will make sure that everyone in Scotland receives the best health care possible. Ensuring that free prescriptions for all and Free dental and eye care for everyone under the age of 18 and over the age of 65.

Transport

The SNP look to make Scotland the best Place in the world for public transport. The SNP look to make bus fares cheaper across Scotland to enable everyone to be able to take the service. In Scotland we aim to not waste energy and by bringing in car share schemes we will make sure less cars are on the road.
