

The Labour Party

A fair future for all

I am a secondary 4 pupil at St. Andrews school. I am standing as the candidate for the Labour Party. I am a Playground Monitor & take my role very seriously. I am very committed to working with others. I attend Banff & Buchan College each week where I study office skills & art. My hobbies include listening to music, playing on my DS & taking my dogs for walks.

My five key pledges

- Extra mortgage protection to help families stay in their homes.
- Giving every 11 to 14-year-old hands-on cooking lessons from 2011 to help reduce childhood obesity.
- Rebuilding or refurbishing every secondary school and half of all primary schools in the coming years.
- Increasing child benefit and child tax credit.
- Phasing out old high-energy light bulbs in favour of energy efficient ones by 2011.

Vote Labour

**Delivering for
hardworking
people!**

**You're
better off
with Labour**

Six key Labour gains for working people

1. Real help now during the global economic downturn, helping Britain to recover faster.
2. Making work pay, with a National Minimum Wage & tax credits for families & low-paid workers.
3. Paid holidays, proper rest breaks & time-off for all workers.
4. Paid maternity leave extended to nine months, introduction of paid paternity leave & adoption leave.
5. More than doubled the Conservative's spending on schools & the health service.
6. A decent minimum income guarantee for all Pensioners plus Winter Fuel Allowance & free local bus travel. State Pensioners to be re-linked to earnings.
