

The Liberal Democrats Manifesto

My name is Rachael Stenhouse and I am in S6 at St. Andrew's School.

I live in Westhill with My Mum, Dad, brother and sister. I enjoy socialising and going to Club 2000 in Kemnay on a Wednesday where I meet friends from other schools. I like reading books and going on the computer. In school I am a Playground Monitor and I take this role very seriously. I like to meet up with my friends and enjoy going out with my family in my spare time.

I am the candidate for the Liberal Democrats in my school.

My Key Pledges

Education

Every child is different, the Liberal Democrats believe schools need to be free to teach children in different ways so they can get on in life, get a job and learn about the world around them.

Transport

There is too much traffic on the roads today, buses and trains should cost less to travel. More people would travel on them and this would mean fewer cars on the road. This would be better for the environment.

Environment

We believe in renewable energy e.g. wind power. This will create a cleaner environment and new jobs for the future.

Business

We believe in helping the poorest countries by promoting fair trade in developing countries.

Health

We promote P.E lessons in school, encourage walking whenever we can and we also want to make sure that children eat healthily in school and at home.
