Guidance Notes

In description field detail the cost activity, in category field choose the category from drop down menu, complete company name, complete quote name, enter quote amounts in cost section, choose preferred supplier. The preferred supplier should be the cheapest quote. See procurement guidance in guidance document.

[1] You should enter the required number of quotes according to the programme requirements:

£0 - £10,000: Direct award;

£10,000.01 - £44,999: 4 written quotes or prices sought from relevant suppliers of goods, works and / or services;

Over £50,000: Formal tender process

[2] The cost for each item should match the cost of the preferred supplier

[3] These costs must exclude VAT if your organisation is able to recover VAT
